Food Processing Equipment Manufacturer

Hughes Enhances Commitment to be Strategic Solutions Provider with Hiring of Russ Schlager as VP of Worldwide Sales

Join us in welcoming Russ Schlager as Vice President of Worldwide Sales at Hughes Equipment. Russ comes to Hughes with more than 20 years of sales and marketing leadership positions at manufacturing and technology corporations, and has the experience and skills that will enhance our commitment to be your strategic food processing equipment solutions provider.

"Russ has a track record of driving strong sales growth and strategic partnerships with key accounts at a number of industrial and food-related equipment companies," said Ross Lund, president. "As Hughes Equipment continues to develop innovative solutions for domestic and international food processors, that experience will serve our customers well."

Russ can be contacted by calling 866-535-9303, extension 105, or via email at russchlager@hughesequipment.com. [Read more about Russ Schlager.](#)

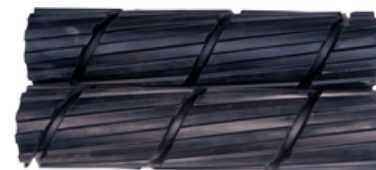

Special Deal on Replacement Husker Rolls Extended to Sept. 15

Save 5 percent on durable maxi husker rolls during Hughes Equipment's limited-time harvest/pack season special! We've extended this special promotion on maxi rolls through September 15. If you order by that date and take delivery by October 31, we'll take 5 percent off the price.

Hughes has husker rolls ready for shipping.

Our maxi rolls are part of our line-up of husker rolls food processors rely on for productivity in husking sweet and seed corn. We also offer high profile, low profile and spiral rolls.

Husker rolls from Hughes Equipment fit most major brands of husking equipment, including A&K's.

Special Program for First-Time Replacement Roll Buyers

We're offering trial program for new customers with significant discounts. Contact us for details.

Learn more about Hughes Equipment husker rolls at the Hughes Equipment Company [website husker rolls page](#).
