Perfect Fit Parts By Hughes

PARTS DESIGNED TO KEEP YOUR OPERATION RUNNING SMOOTHLY

Perfectly Designed, Readily Available, Competitively Priced

Reduce your down time and ensure efficiency of your operation by using genuine replacement parts from Hughes Equipment Company.

Our replacement parts are guaranteed to be the perfect fit for your Hughes Equipment, since they are made to the exact specifications of your machine's original parts. That means no worries about proper fit and smooth function.

No Long Wait Times for Parts

Genuine Hughes replacement parts are readily available with reasonable lead times – and at competitive pricing. We have husker rolls on hand and ready to ship. You benefit from reduced down time and by maintaining your budget.

Precision Parts for Major Brands

Hughes husker rolls fit all major brands including A&K huskers. Call Hughes Equipment for help with your precision replacement parts.

PACIR™ Plant Operations Analysis

Is your plant running at peak efficiency? Find out through our new, proprietary PACIR™ operations analysis. Call today to learn about PACIR™ – Process Analysis and Continuous Improvement Review.

Your STRATEGIC PARTNER for Genuine Replacement Parts.
